

MASTERMAX™

EASY SEAL

Concrete Stain/Sealer

Decorative • Solvent Based • Penetrating Stain

- Revitalise, recolour and seal new and old concrete
- A decorative tinted and clear stain/sealer which protects surfaces from stains
- Suitable for driveways, paths, exposed aggregate, slate, concrete pavers and similar masonry surfaces
- Fast drying, great UV resistance, low sheen finish with good resistance to car tyre marking
- Use Prep Wash & Thinner as required, and to re-activate existing sealer prior to a maintenance coat
- Available in Test Pots, 1 litre (Clear only), 5 litres & 10 litres, Tint Pack Small, Prep Wash & Thinner in 500 ml & 4 litres
